Expository Writing Rubric Created by Texas Teaching Fellows		1	2	3	4
Organization	Structure	The structure of my writing caused my reader to be confused.	I used a structure for my writing, but my reader couldn't always tell.	I used good structure and organized my writing.	My structure was very clear and I organized my paper very well!
	Focus	I forgot to use a strong central topic, which made my paper unfocused.	My central idea was weak, and I used details and information that weren't important to my paper.	My central idea is clear, and most of my ideas are related and focused on the topic.	My central idea is clear, and all ideas are strongly related and focused on the topic.
	Transitions and Sentence Connections	I repeated my ideas and didn't use transitions. It made my paper hard to follow.	Sometimes my reader had a hard time following my writing because my transitions weren't strong.	My transitions are meaningful (for the most part) and made my paper pretty easy to follow.	I used strong and meaningful transitions that made my paper very easy to follow.
Development	Details	The details I used were weak, not related to my paper, or I didn't use many.	My details were not always appropriate or I didn't use enough.	My details were specific, appropriate, and added meaning to my paper.	My details were specific, well chosen, and added a lot of meaning to my paper.
	Thoughtfulness	My writing wasn't very related to the prompt, or I caused my reader to be confused.	My reader felt like I didn't understand my purpose all the time.	My reader felt like I had a good understanding of expository writing, and my ideas were original.	My paper was thoughtful and engaging, and I wrote about unique experiences!
