Think carefully about the issue presented in the following excerpt and the assignment below.

Although we seek the advice of others, we seldom follow it—unless, of course, it coincides with what we wanted to do in the first place. Perhaps we are just looking for reinforcement of our own choices. At any rate, I believe this is a good thing. Advice givers may be well intentioned, but they are always wrong.

Christine Roberts Hale, adapted from *Seeking Our Own Way*

**Assignment:** Are people who offer advice usually wrong? Plan and write an essay in which you develop your point of view. Support your position with reasoning and examples taken from your reading, studies, experience, or observations.
