The Atlantic World and the Origins of Slavery: Providence or Prejudice?
Introduction & Essay by Timothy Breen and Stephen Inge

Introduction

Many difficult questions that historians have been faced with concern the origins of racism and slavery in the Americas. Historians also have had to deal with the complex and often contradictory evidence that has accumulated over the years. In this essay, we will explore the origins of slavery in the Americas and the role of Providence or Prejudice in the process. We will also explore the role of Providence or Prejudice in the process of the transatlantic slave trade and the role of Providence or Prejudice in the process of the transatlantic slave trade.

Providence or Prejudice?

I found the introduction to this chapter sufficiently informative to set up the essay to follow and whether or not it is a good starting point for the study of the origins of slavery in America. I did not find the text and argumentation particularly compelling or convincing. I found the text and argumentation particularly compelling or convincing.
